David
Dear Colonel Watrous:

A note of appreciation to you and your staff for the hospitality shown to me and my assistant at FTD last week. The briefings were informative, well done, and exactly the survey I needed to better understand FTD's mission. I was delighted to hear of the close cooperation between FTD and CIA in technical and field collection operations, on the weapons and technical collection committees, and between our analysts. These joint efforts are a model of close, productive Intelligence Community collaboration on significant intelligence issues. Please express my appreciation to all members of your staff who participated in the visit, particularly to Tony Cacioppo, Colonel Larry Benson, Clyde Allgood, Ken Miller, Bill Holder, Ken McDavid, Captain Mike Pflieger, Major Paul Sharp and Mike Coil.

If I can be of assistance to you or to Captain Bennington as he takes up his post here, please let me know.

Sincerely,

Executive Director
